4.2.1. Agreement Duration. Agreements for procured goods or services may not exceed five (5) years, nor may they be renewed, unless renewal was included in the original solicitation and does not result in the total term of the agreement exceeding five (5) years. A simple extension of the term of an agreement that does not result in an obligation of Manager to

pay additional monies to the contractor is not considered a renewal of an agreement. However, no renewal or extension may result in a term exceeding five (5) years.

4.2.2. Bid Requirements. Manager shall obtain the following price bids before awarding a contract that will be funded in whole or in part from Assessments: (a) when a contract provides for an expenditure equal to or less than \$10,000 in total, Manager may award the contract based on, at least, two (2) competitive written price bids; (b) when a contract provides for an expenditure greater than \$10,000, but equal to or less than \$50,000 in total, Manager may award the contract based on written price quotations from, at least, five (5) potential sources and, at least, three (3) competitive written price bids; or (c) when a contract provides for an expenditure greater than \$50,000, but equal to or less than \$1,000,000 in total, Manager may award the contract only after advertising it for a minimum of one (1) day in the City Official Newspaper at least ten (10) days before bids or proposals are due.

All items required to be posted on the official District website pursuant to this Section 4.7 shall be maintained on the website for a minimum of five (5) years.

4.8. Promotional Materials. Manager shall include the following language in all promotional brochures, newsletters, advertising, Internet web sites, fact sheets, news releases, and other promotional materials relating to the District: "Partially funded by The City of San Diego's Small Business Enhancement Program." Manager shall submit a final copy of any and all promotional materials relating to the District to the City Representative.

4.9. Compliance with Law. Manager shall comply with all Laws in performing this Agreement. Also, Manager shall immediately comply with all directives issued by City, or City's duly authorized representatives, under authority of any Law.

Manager shall have no authority to bind City in any manner, or to incur any obligation, debt or liability of any kind, on behalf of or against City, whether by contract or otherwise.

4.13. Operating Manual. Manager acknowledges receipt of and agrees to comply with the Operating Manual, including those provisions related to fiscal accountability, eligible and ineligible expenditures, and procedures for financial management, accounting, budgeting, record keeping, reporting, bonding requirements, and other administrative functions. Any desired changes to the procedures set forth in the Operating Manual must be requested by Manager in writing and approved by City in writing, in City's sole and absolute discretion, before such changes may be implemented.

5. **ASSESSMENT ADVANCES.**

5.1. Disbursements. City will calculate and disburse Assessments to Manager up to the total Budget amount for each Fiscal Year during the Term pursuant to the procedures described

in **EXHIBIT E** attached to this Agreement. If Assessments collected by District (through either City or Manager) in a Fiscal year exceed the total Budget amount for that Fiscal Year (such excess amount being “**Residual Assessments**”), the Residual Assessments will be available for budgeting for Activities during the immediately following Fiscal Year, subject to City Council approval of the Budget for the immediately following Fiscal Year and extension of the Term to cover such Fiscal Year.

5.2. Manager Collections. If Manager collects Assessments directly from District businesses, Manager shall separately account to City for such Assessments and shall only use such Assessments to pay for performance of Activities authorized in the Budget. All Assessments collected by Manager directly from District businesses will reduce the total amount of Assessments that will be disbursed to Manager by City pursuant to the applicable Fiscal Year Budget on a dollar for dollar basis.

5.3. Submittals. If Manager fails to timely submit to City any report, financial statement, audit or other matter required to be submitted by Manager to City pursuant to Section 9, City may stop future Assessment disbursements until such time as the overdue item is received and determined by City to comply with the requirements of this Agreement. Nothing in this Section 5.3 shall waive or prevent City from exercising any or all other rights or remedies that may be available to City under this Agreement, at law or in equity for an Event of Default resulting from Manager failing to timely submit to City any item required to be submitted by Manager to City pursuant to Section 9.

5.4. Assessment Expenditure. Assessments may only be expended on Activities and in amounts authorized in the Budget for the applicable Fiscal Year. Any expenditure inconsistent with the Budget, or not supported with proper documentation, as described in **EXHIBIT E** attached to this Agreement, shall be considered an ineligible expenditure. Upon determining that Manager has made an ineligible expenditure, City may stop future Assessment disbursements or reduce future Assessment disbursements. Nothing in this Section 5.4 shall waive or prevent City from exercising any or all other rights or remedies that may be available to City under this Agreement, at law or in equity for an Event of Default resulting from Manager making an ineligible expenditure of Assessments.

5.5. Unexpended Assessments. If Manager is holding any unexpended Assessments at the end of a Fiscal Year, Manager shall program such Assessments for expenditure on Activities authorized in the Budget for the immediately following Fiscal Year, subject to City Council approval of the Budget for the immediately following Fiscal Year and extension of the Term to cover such Fiscal Year.

5.6. Adjustments between Budget Categories or Line Items. Manager may request adjustments between expenditure categories in the Budget or between line items in the Budget by submitting a written request to the City Representative stating the justification(s) for the adjustment. The City Representative may approve reasonable adjustments (where the sum of the expenditure category adjustments does not exceed 20% of the overall Budget or where the adjustments are 20% or less of the affected line item that is being reduced). Manager shall not expend any additional funds in any affected cost category or line item unless and until Manager

receives prior written approval of the adjustments from the City Representative. No Manager request for adjustments between cost categories or line items will be approved between April 30 and July 1 of any Fiscal Year during the Term.

6. **SMALL BUSINESS ENHANCEMENT PROGRAM GRANT FUNDS.**

6.1. Management Grant. City may annually advance “Small Business Enhancement Program” (“**SBEP**”) funds to Manager, in an amount determined by the City Representative, for general overhead expenses of managing the District (“**Management Grant**”). The amount of the annual Management Grant to be provided to Manager will be determined through a calculation annually performed by the City Representative, in the City Representative’s sole and absolute discretion, based on the number of businesses in the District registered with the City Treasurer for a City business tax certificate. Management Grant funds are typically disbursed to Manager during the first calendar quarter of the applicable Fiscal Year.

6.2. Bookkeeping Grant. Additionally, City may annually reimburse a maximum of \$3,000 of SBEP funds to Manager to pay expenses of accounting services and staffing for preparing and maintaining accounting records, submitting documentation required by this Agreement, and administering payroll and related taxes and benefits related to District management each Fiscal Year.

6.3. Technical Assistance Grant. Additionally, City may annually reimburse a maximum of \$2,000 of SBEP funds to Manager to pay any of the following expenses: (a) accounting services; (b) website public notice compliance assistance; (c) employee handbook updates; (d) upgrading Microsoft Office, Adobe and, every other year, QuickBooks computer software; (e) computer or office equipment (City will tag all property as property of City); (f) professional grant writing assistance; (g) facilitating retreats of board members and staff; (h) District memberships in professional organizations or associations directly related to District’s operations (in each case, subject to approval by the City Representative); or (i) conference registration (travel, lodging, food or drink are not allowable expenses).

6.4. City Fees and Services Offset. Pursuant to Council Policy 900-15, Manager may request reimbursement of City fees paid in performing the Activities authorized in the Budget by completing the City required form and submitting the completed form to the City Representative, with proof of payment by Manager of the eligible City fee(s) and, if applicable, a copy of each related City-issued permit. Reimbursement for any such City fees is provided from a fixed pool (the total amount of the pool being determined in the City Representative’s sole and absolute discretion) of SBEP funds held by City, with a maximum annual reimbursement amount available to Manager determined in the City Representative’s sole and absolute discretion, not to exceed \$20,000. Notwithstanding the maximum reimbursement amount determined to be available to Manager in a particular Fiscal Year, the maximum reimbursement amount for City fees under this Section 6.4 each Fiscal Year shall not exceed 90% of the allowed amount of City fees.

6.5. SBEP Funds Audit. By accepting SBEP funds from City, Manager authorizes City to audit Manager’s use of all such SBEP funds and agrees to provide City with a full accounting of SBEP funds provided to Manager each Fiscal Year.

7. **OTHER REVENUE.** If Manager collects any funds other than Assessments (“**Other Revenue**”), such Other Revenue shall not be subject to the provisions in this Agreement, unless Manager uses or obligates Assessments towards: (a) any portion of the proposed activity or improvement to which Manager proposes the expenditure of Other Revenue; or (b) any Manager staff time or resources paid for with Assessments or SBEP grant funds (in whole or in part) are used for the proposed activity or improvement to which Manager proposes the expenditure of Other Revenue, including facilitating committee or Board of Directors discussions, implementing the proposed activity or improvement, soliciting goods or services necessary for implementation of the proposed activity or improvement, or accounting or reporting on the proposed activity or improvement. Notwithstanding the immediately preceding sentence, Manager’s expenditure of Assessments or SBEP grant funds for generating reports about collection or expenditure of Other Revenue in accordance with the requirements of this Agreement shall not, by itself, subject such Other Revenue to the provisions of this Agreement.

8. **INSURANCE.** Prior to the Effective Date, Manager shall obtain all insurance coverage required in **EXHIBIT B** attached to this Agreement and deliver to City written certificates or policies of insurance evidencing such insurance coverage. Manager shall not perform any Activities, unless and until evidence of all insurance coverage required to be carried by Manager under this Section 8 has been submitted to and approved by the City Representative. Manager shall maintain all of the insurance coverage required to be obtained under this Section 8 throughout the Term.

9. **REPORTS AND AUDITS.**

9.1. Reconciliation Reports. Manager shall submit a monthly report to City for each month during the Term summarizing Manager’s Activities performed during the applicable month and detailing Manager’s revenue and expenditures during the applicable month (each, a “**Reconciliation Report**”). Fiscal Year that will be expended on Activities. Each Budget shall be formatted using a template provided by City.

9.4. Audit. Manager shall have an audit conducted in accordance with GAGAS within one hundred fifty (150) days after the end of the applicable Fiscal Year or Fiscal Years. Manager shall submit a copy of each such audit and any management letters issued by the auditor for each such audit to City within one hundred fifty (150) days after the end of the applicable Fiscal Year or Fiscal Years. If Manager is subject to an audit from a source other than City, Manager shall provide a copy of the audit to City within thirty (30) calendar days after receipt of the audit. Manager shall provide in any agreement it enters into with an audit firm for performance of any and all audits referenced in this Agreement that the audit firm shall provide City access to the working papers of the auditor(s) who prepare(s) the audit(s), that Manager waives any claim of privilege or confidentiality regarding, and consents to and authorizes the audit firm to release to City, any and all information obtained or utilized by such audit firm as the basis of any audit report issued by the audit firm.

9.5. Adverse Audit Findings. If any type of audit or monitoring review reveals any pattern of suspicious or questionable financial activity by Manager, City, in its sole and absolute discretion, shall have the right to immediately suspend this Agreement, in whole or in part, to further investigate such matter or pursue any other rights or remedies for such Default available to City under this Agreement, at law or in equity.

9.6. Cooperation. Manager shall fully cooperate with City and any other auditors in any review or investigation of Manager's conduct or action(s) relating to this Agreement or money received pursuant to this Agreement. Failure by Manager to so cooperate shall constitute an Event of Default by Manager. Manager's failure to provide required financial statements, audits or other information, notwithstanding expiration of the Term or other termination of this Agreement, shall be an Event of Default by Manager.

9.7. CDBG Funds. If Manager has a separate agreement with City for receipt and use of Federal Community Development Block Grant ("**CDBG**") funds, then the financial management and audit provisions of that agreement shall control Manager's receipt and use of CDBG funds.

10. RECORDS.

10.1. Maintenance, Inspection and Photocopying. Manager shall maintain all Records during the Term and the Retention Period (defined in Section 10.3). Manager shall not employ, award any contract to, engage the services of, or pay any Subcontractor during any period of Federal, State, or City debarment, suspension, or ineligibility of the Subcontractor, when Manager has notice of such debarment, suspension, or ineligibility.

11.1. Adding Subcontractors. If Manager identifies a need for additional or substitute Subcontractor services, Manager shall provide City with each of the following within ten (10) days after the date of any Subcontract for such services: (a) a copy of the Subcontract; (b) a written statement of the justification for the additional or substitute Subcontractor services; (c) an itemization of all costs for the additional or substitute Subcontractor services; and (d) an updated Subcontractors List that includes the name and contact information of any new or substitute Subcontractor hired to provide the additional or substitute Subcontractor services.

11.2. Required Language for Subcontracts. Manager shall ensure that all Subcontracts entered into in connection with this Agreement contain language requiring Subcontractors to comply with all applicable Laws and all notices issued by City under the authority of all current or future Laws.

11.3. Subcontractor Insurance. Each Subcontractor shall obtain all insurance coverage required of Manager under this Agreement. Each Subcontractor shall maintain, in full force and

effect all such insurance coverage while any and all work is performed by the Subcontractor in connection with this Agreement. No Subcontractor shall begin work on a Subcontract until all insurance required of the Subcontractor under this Section 11.3 has been obtained and evidence of such insurance coverage is approved by City.

11.4. Indemnity of City. If City is made a party to any judicial or administrative proceeding to resolve a dispute between Manager and a Subcontractor, Manager shall Indemnify City pursuant to Section 18 relating to such proceeding.

11.5. Subcontract Activity Report. 12. CITY AND MANAGER REPRESENTATIVES.

12.1. City Representative. The Person identified in **EXHIBIT A** attached to this Agreement as City Notice recipient is City's representative for all purposes of this Agreement ("**City Representative**"). The City Representative shall communicate with Manager on all matters related to this Agreement. When this Agreement refers to communications to or with City, those communications shall be with the City Representative, unless this Agreement or the City Representative specifies otherwise. When this Agreement refers to an act or approval to be performed by City, that act or approval shall be performed by the City Representative, except where City Council approval is expressly required or required by Law or City Council policy. City, in its sole and absolute discretion, may change the identity of the City Representative at any time by Notice to Manager.

12.2. Manager Representative. The Person identified in **EXHIBIT A** attached to this Agreement as Manager Notice recipient is Manager's representative for all purposes of this Agreement ("**Manager Representative**"). The Manager Representative shall be a Person holding an executive position with Manager of Executive Director or higher. The Manager Representative shall communicate with City on all matters related to this Agreement. Manager may change the identity of the Manager Representative by Notice to City at least ten (10) days in advance of the effective date of such change. When this Agreement refers to any act or approval to be performed by Manager, that act or approval shall be performed by the Manager Representative.

13. **EVENT OF DEFAULT REMEDIES.** Notwithstanding any provision of this Agreement to the contrary, if an Event of Default by Manager occurs, City may exercise any or all of the following remedies: (a) immediately terminating this Agreement; (b) deeming Manager ineligible from consideration for any future funding from City; (c) any other remedy specified in this Agreement; or (d) any remedy available at law or in equity. The rights and remedies of City under this Agreement are cumulative and exercise of any one or more of such rights or remedies shall not limit, waive, or prevent City's exercise of any other rights or remedies under this Agreement, at law or in equity, existing as of the Effective Date or later enacted or established, that may be available to City against Manager. In addition to any and all other rights or remedies

under this Agreement, at law, or in equity that may be available to City on the occurrence of a Default or an Event of Default by Manager, if Manager is in Default of this Agreement, City may take one or more of the following actions by Notice to Manager: (i) suspending one or more Assessment distributions to Manager, pending correction of the Default; or (ii) disallowing expenditure of Assessments for all or part of the Activities.

14. **TERMINATION.**

14.1. Convenience. Notwithstanding the Term of this Agreement, City or Manager may terminate this Agreement for any reason at any time during the Term upon sixty (60) days' Notice to the other Party.

14.2. Event of Default. Notwithstanding any provision of this Agreement to the contrary, City, in its sole and absolute discretion, may immediately terminate this Agreement by Notice to Manager, following the occurrence of an Event of Default by Manager.

14.3. Other Termination Events. Notwithstanding any provision of this Agreement to the contrary, City, in its sole and absolute discretion, may immediately terminate this Agreement by Notice to Manager if:

14.3.1. *Misrepresentation.* Manager made or makes a material misrepresentation to City relating to this Agreement or any money received pursuant to this Agreement, regardless of whether Manager had knowledge or intent with respect to the misrepresentation;

14.3.2. *Termination Authorized.* Manager violates any term or condition of this Agreement for which immediate termination is authorized;

14.3.3. *Performance Impairment.* Any of the Manager Parties becomes subject to any court action or proceeding that may materially and adversely affects Manager's performance of, or ability to perform, its obligations under this Agreement;

14.3.4. *Misappropriation of Funds.* Manager misappropriates any funds provided by City to Manager under this Agreement (or any other agreement with City);

14.3.5. *District Disestablishment.* City elects, in City's sole and absolute discretion, to disestablish the District; or

14.3.6. *Change in Law.* Manager is unable or unwilling to comply with any additional term or condition governing this Agreement, Activities, Assessments, or SBEP grant funds that may be required by newly enacted (or amended) Law.

14.4. Effect of Termination. Termination of this Agreement shall terminate the rights and obligations of the Parties under this Agreement, and any Person claiming any rights by or through a Party, except the Parties' rights or obligations expressly surviving termination of this Agreement; provided, however, any termination of this Agreement pursuant to either Section 14.2 or Section 14.3 shall not terminate City's rights under this Agreement to pursue any right or remedy relating to Manager's Event(s) of Default existing at the time of termination of this Agreement upon or as a result of such termination.

15. **MANAGER RESPONSIBILITIES ON EXPIRATION OR TERMINATION OF THIS AGREEMENT.** If this Agreement expires or is terminated, Manager shall complete any and all additional work necessary for the orderly filing of documents and closing of Manager's performance of its obligations under this Agreement, including delivering to City on or before the expiration or termination date of this Agreement: (a) Records, work product, leases, and agreements prepared or completed in connection with, or related to, Manager's performance under this Agreement; (b) all Assessments, accounts receivable attributable to the use of Assessments, vehicles, equipment, SBEP grant funds, and any other assets of the District; and (c) the final Annual Report covering the last Fiscal Year during the Term or applicable portion of such Fiscal Year.

16. **INFORMAL DISPUTE RESOLUTION.** If the Parties have any dispute about their respective rights, obligations, or duties under this Agreement, or the meaning or interpretation of any provision of this Agreement, they shall first attempt to resolve such dispute by informal discussion among their respective representatives. Within five (5) calendar days after determining the existence of any such dispute, the Party determining there is such a dispute shall give Notice to the other Party of the existence of the dispute and the need to meet informally to resolve such dispute. The Parties shall endeavor, thereafter, to meet within five (5) calendar days after the delivery of such Notice, or at such other time as is reasonable under the circumstances.

17. **MANDATORY ASSISTANCE.** If a Third Person dispute or litigation, or both, to which City is or becomes a party, arises out of, or relates in any way to, this Agreement and Manager is not required to Indemnify City pursuant to Section 18 for all aspects of such dispute or litigation, upon City's Notice to Manager requesting such assistance, Manager Parties shall fully assist City in resolving the dispute or litigation. Manager Parties' assistance to City, referred to in this Agreement as "**Mandatory Assistance**," includes providing professional consultations, attending mediations, arbitrations, depositions, trials, or any event related to the dispute or litigation. In providing City with Mandatory Assistance, if the Manager Parties incur reasonable costs, City will reimburse Manager for such costs. However, if it is determined through resolution of the Third Person dispute or litigation, or both, that such Third Person dispute or litigation was attributable, in whole or in part, to one or more acts or omissions of one or more of the Manager Parties, Manager shall fully reimburse City for all amounts paid to Manager or any Manager Parties in reimbursement of costs incurred in providing Mandatory Assistance and shall Indemnify City pursuant to Section 18 for the Third Person dispute or litigation. Any Legal Costs the Manager Parties may incur as a result of providing Mandatory Assistance are not reimbursable by City under this Agreement.

18. **INDEMNITY AGREEMENT.** Manager shall Indemnify the City Parties against any and all Claims arising from, connected with, caused, or claimed to be caused, by this Agreement, City disbursement of Assessments or SBEP grant funds to Manager under this Agreement, Manager expenditure of such funds, Manager accounting for receipt or expenditure of such funds, or by one or more acts or omissions of the Manager Parties in performing this Agreement, and all expenses of investigating and defending against any and all such Claims, including Legal Costs. However, Manager's duty to Indemnify the City Parties shall not include any Claim arising from the established sole negligence or willful misconduct of the City Parties. City may, in its sole and absolute discretion, conduct its own defense, or participate in its own defense, of any Claim subject to this Section 18. If City elects to conduct its own defense, participate in its

own defense, or obtain independent legal counsel in defense of any Claim subject to this Section 18, Manager shall pay City for all Legal Costs related to such defense. Manager shall pay City any and all costs, including Legal Costs, City incurs enforcing the provisions of this Section 18. The provisions of this Section 18 are not limited by the insurance requirements of Section 8.

19. **NOTICE.** In all cases where Notice is required under this Agreement, service of such Notice shall be effective on the date transmitted by e-mail, on the third Business Day after the Notice is deposited with the United States Postal Service for first-class mail delivery, or on the first Business Day after deposit with a nationally recognized overnight delivery service for next Business Day delivery, in each of the latter two cases, with postage or delivery costs paid and addressed to City or Manager as specified in **EXHIBIT A** attached to this Agreement. City or Manager may change its Notice address by Notice delivered in accordance with this Section 19. Notice delivered by personal service shall be effective on delivery. Any attorney representing a Party may give Notice on behalf of that Party.

20. **NO TRANSFER.** Because this Agreement is entered into by City in reliance upon Manager's qualifications, experience, and personnel, Manager shall not Transfer or subcontract any of its rights, obligations, or duties under this Agreement, without the prior written consent of City, which may be given, withheld or conditioned in City's sole and absolute discretion. Any asserted Transfer or subcontract of Manager's rights, obligations, or duties under this Agreement without City's prior written consent shall not create a contractual relationship between City and any asserted transferee or Subcontractor, and any such Transfer or subcontract shall be ineffective, null and void.

21. **CONFIDENTIALITY OF INFORMATION.** All information provided by City to Manager in connection with this Agreement, the District, Assessments, Activities, or SBEP grants is for the sole use of Manager in performing Manager's obligations under this Agreement. Manager shall not release any of this information to any Third Person, without the prior written consent of City, except information that: (a) was publicly known, or otherwise known to Manager, at the time the information was provided to Manager by City; (b) subsequently becomes publicly known, through no act or omission of Manager; (c) becomes known to Manager from a source or means other than City; or (d) is considered a "public record," pursuant to the California Public Records Act (California Government Code sections 6250 – 6276.48), as determined by the City Attorney.

22. **INTELLECTUAL PROPERTY.** All rights to Intellectual Property developed or acquired in the course of performance of this Agreement shall be the property of City and may be disposed of in accordance with City policy. City, in its sole and absolute discretion, may file for patents in connection with all rights to any such discoveries or inventions. Manager acknowledges that all Intellectual Property shall constitute a "work for hire," as that term is defined in the Federal Copyright Act of 1976, as amended. Accordingly, all right, title, and interest in and to all Intellectual Property shall be the exclusive property of City, including all copyrights and other intellectual property rights in any and all Intellectual Property. If for any reason any Intellectual Property is not deemed to be a "work for hire," Manager grants, transfers, sells, and assigns, exclusively to City, all right, title, and interest in and to said Intellectual Property, including all copyrights and other intellectual property rights. Manager shall sign and deliver to City a confirming grant and assignment of all rights in and to all Intellectual Property,

and shall sign any other document City deems necessary to ensure the complete and effective transfer of all right, title, and interest in and to such Intellectual Property to City. Manager shall deliver all Intellectual Property to City within thirty (30) calendar days following the expiration or termination of this Agreement. If Manager fails to deliver all Intellectual Property to City and City desires to use such Intellectual Property, Manager shall provide City with equivalent materials, at Manager's sole expense, or reimburse City, in full, for the cost of developing equivalent materials. Manager represents and warrants that any materials or deliverables, including all Intellectual Property, provided under this Agreement are original, not encumbered, and do not infringe upon the copyright, trademark, patent, or other intellectual property rights of any Third Person, or are in the public domain. If deliverables, materials, or Intellectual Property provided under this Agreement become the subject of a Claim of copyright, trademark, or patent infringement, City shall have the right, in its sole and absolute discretion, to require Manager to produce, at Manager's sole expense, new non-infringing materials, deliverables, or Intellectual Property as a means of remedying any Claim of infringement, in addition to any other remedy available to City at law or in equity. Manager shall Indemnify the City Parties against any and all Claims alleging that any materials, deliverables, supplies, equipment, services, or Intellectual Property provided under this Agreement infringe the copyright, trademark, patent, or other intellectual property or proprietary rights of any Third Person.

23. GENERAL PROVISIONS.

23.7. Severability. If any term or provision of this Agreement or its application to any Person or circumstance shall to any extent be invalid or unenforceable, then the remainder of this Agreement, or the application of such term or provision to Persons or circumstances, other than those as to which the term or provision is invalid or unenforceable, shall not be affected by such invalidity or unenforceability. All remaining terms and provisions of this Agreement shall be valid and enforced to the fullest extent Law allows.

**EXHIBIT B
TO
CITY OF SAN DIEGO
BUSINESS IMPROVEMENT DISTRICT MANAGEMENT AGREEMENT
FISCAL YEAR 2019**

INSURANCE REQUIREMENTS

1. **General Requirements.** Manager shall not begin any performance under this Agreement until Manager has: (1) provided City insurance certificates and endorsements evidencing all insurance policies and endorsements described in this **EXHIBIT B**; (2) obtained City approval of each insurance company or companies issuing such insurance policies or endorsements; and (3) confirmed that all insurance policies contain the special provisions described in this **EXHIBIT B**. Manager's liabilities, including its indemnity obligations under this Agreement, shall not be limited in any way to the insurance coverage described in this **EXHIBIT B**. Maintenance of the insurance coverage described in this **EXHIBIT B** is a material term of this Agreement and Manager's failure to maintain or renew any such insurance coverage or to provide evidence of renewal or replacement of any such insurance coverage during the Term is an Event of Default by Manager.

2. **Specific Insurance.** Manager shall procure and maintain for the duration of the Term insurance against Claims for injuries to Persons or damages to property that may arise from or in connection with Manager's performance under this Agreement and performance by any Manager Parties. Manager shall provide, at a minimum, the following insurance coverage:

2.1. **Commercial General Liability.** Insurance Services Office Form CG 00 01 covering commercial general liability on an "occurrence" basis, including products and completed operations, property damage, bodily injury, and personal and advertising injury, with liability limits no less than \$1,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this Agreement (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the amount of the required occurrence limit.

2.2. **Commercial Automobile Liability.** Insurance Services Office Form Number CA 0001 covering Code 1 (any auto) or, if Manager has no owned autos, Code 8 (hired) and Code 9 (non-owned), with a liability limit no less than \$1,000,000 per accident for bodily injury and property damage.

2.3. **Workers' Compensation.** Workers' Compensation Insurance as required by the State, with statutory liability limits, and Employer's Liability Insurance with a liability limit of no less than \$1,000,000 per accident for bodily injury or disease.

2.4. **Other Insurance Provisions.** The insurance policies required by this Agreement are to contain, or be endorsed to contain, the following provisions:

2.4.1. *Additional Insured Status.* City, its officers, officials, employees, and agents are to be covered as additional insured on the required Commercial General Liability insurance policy with respect to liability arising out of work or operations performed by or on behalf of Manager, including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to Manager's Commercial General Liability insurance policy (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37, if a later edition is used).

2.4.2. *Primary Coverage.* For any Claims related to this Agreement, Manager's insurance coverage shall be primary coverage at least as broad as ISO CG 20 01 04 13 as respects City, its officers, officials, employees, and agents. Any insurance or self-insurance maintained by City, its officers, officials, employees, or agents shall be excess of Manager's insurance and shall not contribute with it.

2.4.3. *Notice of Cancellation.* Each insurance policy shall provide that coverage shall not be canceled, except after thirty (30) calendar days' Notice of cancellation to City.

2.4.4. *Waiver of Subrogation.* Manager grants to City a waiver of any right to subrogation that any insurer of Manager may acquire against City by virtue of the payment of any loss under any insurance policy. Manager agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this waiver applies regardless of whether or not Manager obtains such a waiver of subrogation endorsement from the insurer.

2.5. Deductibles/Self Insured Retentions. All deductibles under any insurance policy shall be the sole responsibility of Manager and shall be disclosed to City at the time the evidence of the insurance coverage is provided to City. Self-insured retentions under any insurance policy shall be the sole responsibility of Manager and must be declared to and approved by City at the time the evidence of the insurance coverage is provided to City. City may require Manager to purchase coverage with a lower deductible or retention or provide proof of ability to pay losses and related investigation, claim administration, and defense expenses within the deductible or retention. Each insurance policy with a self-insured retention shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or City.

2.6. Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A-VI, unless otherwise approved in writing by City. City will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State and is included on the List of Approved Surplus Lines Insurers (LASLI list). All policies of insurance issued by non-admitted carriers are subject to all of the requirements of this Agreement applicable to insurance policies issued by admitted carriers.

2.7. Verification of Coverage. Manager shall furnish City with original certificates and amendatory endorsements or copies of all applicable insurance policy language effecting insurance coverage described in this **EXHIBIT B**. All insurance certificates and endorsements are to be received and approved by City before any performance commences under this Agreement. Failure to obtain the required insurance documents prior to the beginning

performance shall not waive Manager's obligation to provide the required insurance coverage or evidence of such insurance coverage. City reserves the right to require complete, certified copies of all insurance policies, including endorsements, described in this **EXHIBIT B**, at any time.

2.8. Special Risks or Circumstances. City reserves the right to modify the insurance requirements of this Agreement, including liability limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

2.9. Additional Insurance. Manager may obtain additional insurance not required by this Agreement, as long as the City, its officers, officials, employees, and agents are named additional insured under such insurance policies.

2.10. Excess Insurance. All policies providing excess coverage to City shall follow the form of the primary policy or policies, including all endorsements.

2.11. Subcontractors. Manager shall require and verify that all Subcontractors maintain insurance meeting all the insurance requirements of this **EXHIBIT B**. Manager shall also ensure that City is an additional insured on insurance required from Subcontractors. For commercial general liability insurance coverage, Subcontractors shall provide coverage with a form at least as broad as the CG 20 38 04 13 endorsement.

Nothing in this **EXHIBIT C**, Section 1, shall be interpreted to hold Manager liable for any discriminatory practice of its Subcontractors.

2. **NON-DISCRIMINATION IN CONTRACTING.** Manager shall comply with City's Nondiscrimination in Contracting Ordinance, codified in SDMC sections 22.3501 - 22.3517. Manager shall not discriminate on the basis of race, color, gender, gender expression, gender identity, religion, national origin, ethnicity, sexual orientation, age, or disability in the solicitation, selection, hiring, or treatment of subcontractors, vendors, or suppliers. Manager shall provide equal opportunity for subcontractors to participate in subcontracting opportunities. Manager agrees and understands that violation of this **EXHIBIT C**, Section 2, shall be considered a material breach of this Agreement and may result in termination of this Agreement, debarment or other sanctions. Within sixty (60) calendar days after Notice from City requesting such information, Manager shall provide City a truthful and complete list of the names of all subcontractors, vendors, and suppliers that Manager has used in the past five years on any of its contracts that were undertaken within the County, including the total dollar amount paid by Manager for each subcontract or supply contract. Manager shall fully cooperate in any investigation conducted by City, pursuant to City's Nondiscrimination in Contracting Ordinance, referenced above in this **EXHIBIT C**, Section 2.

3. **LOCAL BUSINESS AND EMPLOYMENT.** Manager acknowledges that City seeks to promote employment and business opportunities for local residents and firms on all City contracts. Manager shall, to the extent reasonably possible and allowed by Law, solicit applications for employment and bids and proposals for Subcontracts for work associated with this Agreement, from local residents and firms, as opportunities occur. Manager shall hire qualified local residents and firms, whenever feasible and allowed by Law.

4. **LIVING WAGES.** This Agreement is subject to City's Living Wage Ordinance ("LWO"), codified at SDMC sections 22.4201 through 22.4245, if and to the extent that any of the Activities to be undertaken pursuant to this Agreement are services subject to the LWO. The LWO requires payment of minimum hourly wage rates and other benefits to "covered employees" (as defined in the LWO), unless an exemption from the LWO applies. SDMC section 22.4225 requires Manager and its Subcontractors to fill out and file a living wage certification with the City Manager within thirty (30) days after the Effective Date.

Subcontractors hired by Manager after the Effective Date must fill out and file a living wage certification with the City Manager within thirty (30) days after being hired. Manager shall require, by contract, all of its Subcontractors that are performing services subject to the LWO to comply with the LWO.

4.1. Exemption from Living Wage Ordinance. Pursuant to SDMC section 22.4215, Manager or any of its Subcontractors may be exempt from the LWO. For an LWO exemption determination, Manager or any of its Subcontractors must complete the Living Wage Ordinance Application for Exemption.

4.2. Proof of Compliance. Manager and all of its Subcontractors shall submit written proof of compliance with or exemption from the LWO on or before the first day of each Fiscal Year during the Term.

Manager shall also comply with City Council Policy 100-04, adopted by City Council Resolution R-282153, which policy is incorporated into this Agreement by this reference. Manager warrants and certifies compliance with all Federal and State access laws and regulations and further certifies that any Subcontract contains the Subcontractor's agreement to abide by the provisions of the ADA, Title 24, City Council Policy 100-04, and any other applicable access laws or regulations.

6. DRUG – FREE WORKPLACE. Manager shall comply with City’s Drug-Free Workplace requirements, set forth in City Council Policy 100-17, as adopted by City Council Resolution R-277952. Manager shall certify that it will provide a drug-free workplace, by electronically submitting to City a “Certification for a Drug-Free Workplace” form approved by the Manager Representative. Submittal of this certification by Manager shall be a condition precedent to this Agreement. Manager shall post in a prominent place at its offices a statement setting forth its drug-free workplace policy, notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the workplace, and specifying the actions that will be taken against employees for violating the policy. Manager shall establish a drug-free awareness program to inform employees about each of the following: (a) the dangers of drug abuse in the workplace; (b) the policy of maintaining a drug-free workplace; (c) the availability of drug counseling, rehabilitation, and employee assistance programs; and (d) the penalties that may be imposed upon employees for drug abuse violations.

7. EMPLOYMENT OF CITY STAFF. Pursuant to City Council Policy 300-11, if Manager employs an individual, who, within twelve (12) months immediately preceding such employment, did, in the individual’s capacity as a City officer or employee, participate in, negotiate with, or otherwise have an influence on the recommendation made to City Council in connection with the entry into this Agreement, City, in its sole and absolute discretion, shall have the right to unilaterally and immediately terminate this Agreement by Notice to Manager.

8. ENDORSEMENT. Manager shall comply with the provisions of City Administrative Regulation 95.65 regarding product endorsements or creating any advertisement or writing that identifies or refers to City as the user of a product or service, without obtaining the prior written approval of City, which approval may be given or withheld in City's sole and absolute discretion.

9. EQUAL BENEFITS ORDINANCE. In accordance with City's Equal Benefits Ordinance, codified in SDMC sections 22.4301-22.4308 ("**EBO**"), Manager shall provide and maintain equal benefits, as defined in SDMC section 22.4302 during the Term. Failure of Manager to maintain equal benefits consistent with the EBO is an Event of Default by Manager (SDMC 22.4304(e)). Manager shall notify its employees of the equal benefits policy at the time of hire and during open enrollment periods and must post a copy of the following statement in an area frequented by its employees:

"During the performance of a contract with City of San Diego, this employer will provide equal benefits to its employees with spouses and its employees with domestic partners."

9.1. Manager shall immediately give City access to documents and records sufficient for City to verify that Manager is providing equal benefits and otherwise complying with the EBO requirements. The full text of the EBO and the "Rules Implementing the Equal Benefits Ordinance" are posted on City's website at www.sandiego.gov/purchasing/ or can be requested from City's Equal Benefits Program Office at (619) 533-3948.

10.1. Public Officer or Employee Economic Interests. The Parties are unaware of any financial or economic interest of any public officer or employee of City relating to this Agreement. If Manager becomes aware during the Term of any financial or economic interest of any public officer or employee of City relating to this Agreement, it shall immediately Notify City. If such a financial or economic interest is determined by City to exist, City shall have the right to immediately terminate this Agreement, without liability to Manager, by giving Notice of termination to Manager.

10.2. City Ethics Code Restrictions. The Manager Parties shall be subject to the provisions of City's Ethics Ordinance (SDMC sections 27.3501-27.3595), including the prohibition against lobbying City for one (1) year following the expiration or termination of this Agreement. Manager shall establish, and make known to the Manager Parties, appropriate safeguards to prohibit them from using their positions for a purpose that is, or that gives the appearance of being, motivated by the desire for private gain for themselves or others, particularly those with whom they have family, business, or other relationships. The Manager Parties shall not recommend or specify any product, supplier, or contractor with whom they have a direct or indirect financial or organizational interest or relationship that would violate conflict of interest laws, regulations, or policies. If any Manager Party violates any conflict of interest law, or any of

the provisions of this **EXHIBIT C**, Section 10.2, the violation shall be an Event of Default by Manager. Further, any such violation shall subject Manager to liability to City for Legal Costs and all damages sustained by City as a result of the violation.

EDD staff will then submit a payment request in SAP for that amount within ten (10) Business Days and include a copy of the “invoice” document specifying the relevant approved resolution and agreement authorizing the monthly disbursement. The amount to be disbursed in a particular month shall be provided to Manager within the first five (5) Business Days of that month. City Comptroller’s staff will review the request and, if appropriate, release the payment within thirty (30) days after the first Business Day of each month.

Manager is required to register with City for the ACH payment program. Once the payment request is authorized by City Comptroller’s Office, ACH payments are generally deposited into the receiving bank account the next Business Day (in the morning), but City does not guaranty deposits in any particular time period.
